

Update on Status of CEA-2034

standards.CE.org

1

CEA-2034

- The CEA version of the standard has been published and sent to ANSI for Public Review
- The public review period ends on September 23rd. If no comments are received, the ANSI-CEA version of the standard will be published.

CEA-2034

- CEA's Audio group has not yet formally voted to advance CEA-2034 to IEC TC100.
- We expect action (possibly including an NP and proposed Project Leader) by the April IEC TC100 AGM/AGS meeting.
