## INTERNATIONAL ELECTROTECHNICAL COMMISSION

### TECHNICAL COMMITTEE No. 100: AUDIO, VIDEO AND MULTIMEDIA SYSTEMS AND EQUIPMENT

To all TC100 AGS and AGM members

#### **Call for Members, TC100 AGS Study Session 1 (3D and UHD display technology and terminals)**

The Leader of TC100 AGS SS1 (3D and UHD display technology and terminals) invites interested parties to join TC100 AGS SS1 to present and discuss standardization opportunities related to 3D and UHD technology that are within the scope of IEC TC100. Though the opportunity to join will remain open, the Call for Members closes on 2016-01-22.

TC100 AGS and AGM members are encouraged to nominate anyone who is interested in contributing to this new Study Session activity, including himself/herself.

#### **Background**

In the past TC100/AGS 38th meeting held in Minsk, Mr. Zhang Hong gave an introduction about UHD TV industry, testing item and standards, and Ms. Li Lu introduced the content of the WD of TS on UHD terminology. After this meeting, Mr. Zhang Hong handed over the leader of SS1 to Ms. ZHAO Xiaoying. Also, AGS strongly suggested that the WD of "UHD terminology" should involve more international supports to make it to be better.

#### **Call for Members**

**"UHD terminology" provides a list of the terminologies that are frequently used in describing UHD display technologies. New leader of SS1, Ms. ZHAO Xiaoying, and AGS would like to invite experts who interested in developing the documents of "UHD terminology", to avoid any misunderstanding and confusion in the documents.**

This call for Study Session 1 (3D and UHD technology) membership is open to any member with an IEC account who can contribute to the discussion in the Study Session 1.

To join, please contact Ms. ZHAO Xiaoying by email at [zhaoxy@cesi.cn](mailto:zhaoxy@cesi.cn) to make your request. Please copy AGS Secretary Toshihiro Inokuchi at [inokuchi.toshihiro@jp.panasonic.com](mailto:inokuchi.toshihiro@jp.panasonic.com).

#### **Closing Date**

The Call for Members closes on 2016-01-22..

#### **Guests**

The Study Session leader may invite anyone who can contribute relevant information participate as a Guest, regardless of their IEC affiliation.
